DORMAN TECHNICAL TRAINING

On **Thursday, May 20th** Dorman will be hosting a complete Electronic class! Topics covered include circuits and circuit testing, opens, shorts, voltage drops, relay testing, meter usage (DMM), lab scope / graphing meter usage, sensor, actuators, and hands-on testing to use on an array of applications such as starting, batteries, fuel delivery, ignition, sensors, computers, and more. Through this training, you'll learn how to get the most out of your tools and equipment to find and repair electrical problems on today's vehicles instead of watching those expensive tools collect dust.

There will be a \$25.00 training fee per shop.

Brake Fluid

Synthetic Heavy Duty Brake Fluid for ABS, Disc, and Drum Brakes. Perfect Stop Dot 3 Brake Fluids Boiling point is 480F which is 19+% higher than the standard. Perfect Stop Dot 4 Brake Fluids Boiling point is 510F which is 14+% higher than the standard.
