Macpherson Ride Chassis Announcement

Introducing MacPherson Ride Chassis – the way steering and suspension was meant to be!

With MacPherson Ride Chassis, we provide you with the very best in steering and suspension components, along with the convenience of our complete strut and control arm assemblies. Our parts help save time, labor, and keep safety on the job in the forefront. Plus, we bring a new level of performance that builds customer confidence, trust and satisfaction, at a price that keeps profits in your shop.

Ask for MacPherson Ride Chassis and get in front of the chassis business in your market.

3 Ton Floor Jack

2xP- Double Pump design for fast efficient lifting. Built for the professional user. Equipped with safety bypass to prevent overloading. Rear mounted swivel casters for easy maneuverability. Heavy duty pump, ram and cylinders are precision machined and inspected to ensure long service life and superior performance.

Quantities are limited!

Battery Hydrometer

Battery floats are calibrated using a lead weight, which resists sulfuric acid corrosion. The weights are hand made to assure consistency.

- Accurate-range 1.100 to 1.3000
- Direct Reading
- No temperature tables required

G2S EZ-SP101

EZRED

Anti-Freeze Tester

- Anti-freeze floats are calibrated using brass weights to resist corrosion.
- Range -12C to -50C
- Direct reading, hot or cold
- No temperature compensating tables required

G2S EZ-SP102

EZRED

5 Gallon Composite Drain Pan

Large opening with spout for easier pouring and dispensing. Molded handle for convenient carrying. Resistant to chemicals and solvents.

Diesel Deep Clean

Diesel Deep Clean causes the fuel to burn much cleaner eliminating particulate matter and matter trapped in the filter that would otherwise go into the exhaust system. This eliminates exhaust backpressure allowing the engine to run easier and cooler as well as lowering the aggravation and down time associated with particulate filters.

LUC 20873 | 1.89L

LUCAS OIL

Heavy Duty Oil Stabilizer

Lucas Oil Stabilizer is a 100% petroleum product formulated to eliminate dry starts and reduce friction, heat and wear in any type of engine. It allows motor oils a higher degree of lubricity which reduces oil consumption and operating temperatures.

LUC 20001 | 946ml

LUCAS OIL

Fuel Treatment

A powerful blend of oils and additives that contain no SOLVENTS. Designed to increase power and fuel mileage and also lower exhaust emissions through a more complete combustion.

LUC 20003 | 946ml

LUCAS OIL

High Mileage Fuel Treatment

High Mileage Fuel Treatment is created specifically to restore lost power and performance in high-mileage vehicles. It cleans and lubricates fuel system components, removes valve deposits, lessens oil contamination and stops knocking and hesitation.

LUC 20977 | 155ml

LUCAS OIL

Engine Flush

Thoroughly cleans crankcase prior to adding fresh oil at oil change. Improves oil circulation by cleaning clogged screens, removing piston varnish and crankcase sludge.

KLF 637 | 350ml

Fuel Stabilizer

Keeps fuel fresh during extended storage for easier start next season. Ensures fuel stability for 1 year.

KLF 790 | 350ml

Transmission Flush

Cleans gum and varnish from transmissions, neutralizes deposits, conditions and restores seals. Designed for professional installers.

KLF 689 | 2X350ml

Power Steering Flush

Two step process cleans the entire power steering system and conditions vital internal components. Reduces steering noise and extends extreme temperature performance. Assists in avoiding costly system failures. Designed for professional installers.

KLF 688 | 2X350ml

Octanium Maddative

The product increases horsepower, acts as a lead substitute where required and eliminates knock and pinging. This product may not be for the casual enthusiast, but for those looking for dramatic results, none can beat "Octanium!"

KLF 28551 | 946ml

Seafoam Motor Treatment

- Cleans fuel injector and carburetor passageways
- Cleans intake valve and chamber deposits
- Lubricates upper cylinders
- Works in crankcase oil to liquefy harmful residues & deposits
- Stabilizes gas & diesel fuels up to 2 years
- For any gas or diesel fuel blend

SFC SF16 | 16oz

SFC SF128 | 1 Gallon

Red "N" Tacky Grease

Lucas Red "N" Tacky Grease is a smooth, tacky, red lithium complex grease fortified with rust and oxidation inhibitors. It has good water resistance and washout properties. It has excellent mechanical stability and storage life. It is able to withstand heavy loads for extended periods of time.

LUC 20005-30 | 14oz

LUCAS OIL

The Original Gun Oil

Prevents jamming and overheating, resists evaporation and penetrates rust freeing stuck parts and actions. Polymeric film protects from rust, wear and moisture and makes copper, lead and wad fouling much easier to clean. It neutralizes acids from fingerprints and resists drying for long term storage use.

LUC 10006 | 59ml

LUCAS OIL

Tool Box Buddy

Long lasting and super slick - allows tools to run easier and much longer. Two ounce Tool Box Buddy is exactly as the name implies - this is a superior lubricant packaged for the tool box.

LUC 10070 | 59ml

LUCAS OIL

Permatex 5th Wheel Lubricant

Premeasured grease comes in handy pouch, requires no tools, creates no mess. Packaging disintegrates leaving no waste. Graphite lubricant designed for heavy duty applications and effective at extreme temperatures and environmental conditions.

PER 01010 | 57g

Non-Flammable BrakeKleen

The original brake parts cleaner. Formulated to quickly & effectively remove grease, brake dust, brake fluids, oils, & other contaminants from brake parts, lining, pads.

The Right Stuff Red

The Right Stuff® Red Gasket Maker is the only high temperature gasket maker that can quickly return a vehicle to service in just 1 minute. This thick formula maintains reliable and long-lasting seals. The Right Stuff Red One Minute is superior to most OE gaskets and provides premium professional grade gaskets for today's fast paced professional garages. Temperature performance up to 650°F intermittent, this gasket maker is sensor-safe and resists oil and other common shop fluids.

PER 30878 | 147ml

The Right Stuff Black

Make leak-proof gaskets and return equipment to service immediately! This elastomeric "formed-in-place" material is more reliable and longer lasting than pre-cut gaskets. It is blowout resistant and protects against leaks and seepage caused by vibration and thermal expansion. Temperature range -59°C to 232°C continuous, 260°C intermittent; resists ATF, coolant, oil and other shop fluids. Sensor-safe. Fleet-tested.

PER 30874 | 147ml

PER 30876 | 300ml

Bead Sealer Thick Formula

32oz heavy duty bead sealer.

PTR 1010009

Leak Seeker Concentrate

8oz tire leak seeker concentrate.

PTR 1010015

CAR CARE CENTRAL

Microfiber Towel

Carrand's Microfiber Glass Towel has a standard 80/20 blend, with 20 percent polyamide for superior water and dust absorption. Keep inside your car for convenient defogging and removal of smudge marks from the dash. Use wet or dry for easy, chemical-free cleaning.

PSI 40064 | 2pc

Microfiber Gripper

- The gripper handle holds tight to pad with hooks
- For a no mess application of protectants, tire shine, wax and polish
- Reusable handle, 5" round applicator pad

PSI 40123

2 Sided Microfiber Dash Duster & Defogger

- 2 sided for dusting or defogging
- Defogs windows and mirrors
- Pockets hold mitt to fingers to reach along window edges
- Suede side for window and mirror cleaning

PSI 40314

Microfiber Sponge

Carrand's Microfiber Bone Sponge has a standard 80/20 blend, with 20 percent polyamide for superior water and dust absorption. The super absorbent microfiber provides lint, streak, and scratch-free cleaning.

PSI 40110

Microfiber Chenille Long

- Long microfiber super suds maker holds more soap and water
- Cleans like a mop without snagging on crevices
- Elastic cuff keeps mitt snug
- 80/20 blend
- Preferred by car collectors and professional detailers

PSI 40309

Mothers Gold Car Wash

Car Wash is strong enough to wash away dirt, road film, bugs, bird droppings, airborne pollutants and other grime, without removing wax or dulling the paint. This pH balanced, super-sudsy cleaner also resists water spotting.

MOT 35632 | 32oz

Odor Eliminator

Mothers Odor Eliminator and Refresher is not just a cover-up! It provides a permanent and effective solution to neutralize and eliminate tough lingering odors in your vehicle. 2oz aerosol can.

MOT 06811

The Right Stuff Grey

Specifically designed to perform under higher torque loads associated with engines having closely spaced bolt patterns. This product is blowout resistant, and sensor-safe sealing instantly, forming a reliable, long lasting elastomeric rubber gasket that outperforms precut gaskets. This material is resistant to powertrain fluids and operates in environments to 232°C continuous; 260°C intermittent.

PER 30870 | 147ml

PER 34310 | 300ml

Tire Mounting Lubricant

1 gallon of tire mounting lubricant.

PTR 1010012

Tire Mounting Paste

8lb Tire Mounting Compound

PTR 1010008

MAG1 Enviro Box

Maximize space previously used for one 55 gallon drum. Reduces the amount of plastic used compared to quart bottles with a 100% recyclable cardboard box. Tap dispenser allows for quick and easy filling.
